About the Book :

There are 6 chapters in “Jasmine Huang Watercolors”, which are Flowers, Snow Scenes, Interiors, Landscapes, Plein Air Painting, and Abstract Painting.

This book contains 75 collections of Huang's most iconic works since 2013, together with 7 sections demonstrating, step-by-step, and describing the artist's techniques and thoughts. Such as, what to do with the picture when the scene is complex;

how to make the atmosphere of painting as air flow; how to make good use of the effect of pigment precipitation and granulation to create interesting textures and color blocks; how to enhance the visual appeal of the focal zone; how to frame the shape and color matching, etc. in order to show you how to spray color, which shaping the mood and atmosphere of any painting. The book also contains 40 pieces of prose and essay, which express Jasmine Huang's thoughts and feelings.
